Ya Gurl

Jordyn Taylor

(If ya like.... kisses really like..... if ya wanna like.... that'll be alright.....
I wanna be ya gurl.....I wanna be ya gurl.....)
Something about you I can't explain...
and boy I can't deny as I seen you walking by...
It's your smile that caught my eye,,,
no intentions on hesitate and this I know for sure I can't let you go...
I got to make ya(make ya)
feel it (feel it)
Pressure (pressure)
Building (building) up
I don't play the game to lose, something that I aim to prove
I'm what's missing (missing)...pay attention.. please don't question!!!
boy just listen up.. I just want to say,,,,I know
Even though I ain't your gurl... lemme make that choice for you
I, I know... I, I know I want you....
Even though I ain't ya gurl,... lemme make the choice for you....I,
I know....I, I know I want you
And I can seriously say I'm so amazed and I love....

your swagger. your style. your walk... how you whisper when you talk...
I'm not trying to play no games.... hear me when I say I know I can't let you go
I got to make ya (make ya)
feel it (feel it)
Pressure (pressure)
Building (building) up
I don't play the game to lose, something that I aim to prove
I'm what's missing (missing) pay attention... Please don't question!!!
boy just listen up... I just want to say...I know
Even though I ain't your gurl... lemme make that choice for you
I, I know... I, I know I want you....
Even though I ain't ya gurl,... lemme make the choice for you....I, I know....I,
I know I want you
If ya like.... kisses really like..... if ya wanna like.... that'll be alright.....
I wanna be ya gurl.....
(Oooh, c'mon and make my dreams come true)
If ya like.... kisses really like..... if ya wanna like.... that'll be alright.....
I wanna be ya gurl.....
