

Ya Gurl

Jordyn Taylor

(If ya like.... kisses really like..... if ya wanna like.... that'll be alright.....

I wanna be ya gurl.....I wanna be ya gurl.....)

Something about you I can't explain...

and boy I can't deny as I seen you walking by...

It's your smile that caught my eye,,,

no intentions on hesitate and this I know for sure I can't let you go...

I got to make ya(make ya)

feel it (feel it)

Pressure (pressure)

Building (building) up

I don't play the game to lose, something that I aim to prove

I'm what's missing (missing)...pay attention.. please don't question!!!

boy just listen up.. I just want to say,,,I know

Even though I ain't your gurl... lemme make that choice for you

I, I know... I, I know I want you....

Even though I ain't ya gurl,... lemme make the choice for you....I,

I know....I, I know I want you

And I can seriously say I'm so amazed and I love....

your swagger. your style. your walk... how you whisper when you talk...

I'm not trying to play no games.... hear me when I say I know I can't let you go

I got to make ya (make ya)

feel it (feel it)

Pressure (pressure)

Building (building) up

I don't play the game to lose, something that I aim to prove

I'm what's missing (missing) pay attention... Please don't question!!!

boy just listen up... I just want to say...I know

Even though I ain't your gurl... lemme make that choice for you

I, I know... I, I know I want you....

Even though I ain't ya gurl,... lemme make the choice for you....I, I know....I,

I know I want you

If ya like.... kisses really like..... if ya wanna like.... that'll be alright.....

I wanna be ya gurl.....

(Oooh, c'mon and make my dreams come true)

If ya like.... kisses really like..... if ya wanna like.... that'll be alright.....

I wanna be ya gurl.....
