

# Cross My Heart (Acoustic)

## Marianas Trench

So here's another day  
I'll spend away from you  
Another night  
I'm on another broken avenue My bag is ripped and worn  
Then again now so am I  
Take what you want to take  
What you wanna take, what you? I miss the stupid things  
We'd go to sleep and then  
You'd wake me up  
And kick me out of bed at 3 AM Pick up the phone  
And hear you saying dirty things to me  
Do what you wanna do  
What you wanna do, what you? Take me with you  
I start to miss you  
Take me home  
I don't wanna be alone tonight And I do want to show you  
I will run to you to you  
Till I can't stand on my own anymore  
I cross my heart and hope to die Cross my heart and hope to die  
Cross my heart and hope to Hotels are all the same  
You're still away from me  
Another day  
Another dollar that I'll never see Gonna get the pieces, the pieces  
Pieces of something good  
Lie just a little lie  
Just a little lie, just a I wonder what you're doing  
I wonder if you doubt it  
I wonder  
How we used to ever go so long without it I don't know where to go  
I'm going back to you  
Be where I ought to be  
Where I ought to be, where I Take me with you  
I start to miss you  
Take me home  
I don't wanna be alone tonight And I do want to show you  
I will run to you to you  
Till I can't stand on my own anymore  
I cross my heart and hope to die Take me with you  
I start to miss you

Take me with you  
I start to miss youTake me with you  
I start to miss you  
Take me with you  
I start to miss youTake me with you  
I start to miss you  
Take me with you  
I start to miss youTake me with you  
I start to miss you  
Take me with you  
I start to miss youTake me with you  
I start to miss youTake me home  
I don't wanna be alone tonightAnd I do want to show you  
I will run to you to you  
Till I can't stand on my own anymore  
I cross my heart and hope to dieAnd I do want to show you  
I will run to you to you  
Till I can't stand on my own anymore  
I cross my heart and hope to dieAnd I do want to show you  
I will run to you to you  
Till I can't stand on my own anymore  
I cross my heart and hope to dieAnd I do want to show you  
I will run to you to you  
Till I can't stand on my own anymore  
I cross my heart and hope to die
