

# Ya Man Ain't Me

Chris Brown

Hey girl, whats up?  
You've been going through it, huh?  
Yeah, I know  
And I know ya man ain't been treating you right  
But ya man ain't me  
Listen  
Girl, I bet that he be actin' all cocky like  
Like he deserves you and you so lucky to be with him  
Bet he be treatin' you rude, always got an attitude  
Like he's the only dude made for you, woah  
But I bet he didn't count on, no like me comin' 'round  
Giving you things to think about 'cause I know what's up  
Since he ain't tryna step it up, don't you think you should give him up?  
'Cause he ain't worth your love  
Stop trippin'  
I know you got a man but girl he's slippin'  
I can see myself gettin' in where I fit in  
I want you to see  
Just how much ya man ain't me  
'Cause he ain't fly, he don't even drive  
'Cause when you wanna sneak out  
In the middle of the night, baby, I'm your guy  
I'ma reason he ain't being all that he can be  
Baby please, ya man, ya man ain't me  
Girl, I know that you be wishin' he was nothin' like  
Like that playa type and you so lucky to be with him  
Wish that he treated you cool and didn't cheat on you  
Like you're just another girl in his crew  
But I bet he didn't count on, no like me comin' 'round  
Giving you things to think about 'cause I know what's up, yeah  
Since he ain't tryna step it up, don't you think you should give him up?  
'Cause he ain't worth your love, you need to stop trippin'  
Stop trippin'  
I know you got a man but girl he's slippin'  
I can see myself gettin' in where I fit in  
I want you to see  
Just how much ya man ain't me  
'Cause he ain't fly, he don't even drive  
'Cause when you wanna sneak out

In the middle of the night, baby, I'm your guy  
I'ma reason he ain't being all that he can be  
Baby please, ya man, ya man ain't me  
Can't you see?  
You and him ain't meant to be together  
Life with me will be better  
Yes, let him leave  
You'll be doing yourself a favor  
Girl, I'm just tryna save you  
Stop trippin'  
I know you got a man but girl he's slippin'  
I can see myself gettin' in where I fit in  
I want you to see  
Just how much ya man ain't me  
'Cause he ain't fly, he don't even drive  
'Cause when you wanna sneak out  
In the middle of the night, baby, I'm your guy  
I'ma reason he ain't being all that he can be  
Baby please, ya man, ya man ain't me  
Oh no, ya man ain't me, no baby  
Oh no, ya man ain't me, no baby  
Oh no, ya man ain't me, no baby
