(Aint Nobody Loves You) Like I Do

La Toya Jackson

There ain't nobody loves you like I do.You think that I've been cheating
I can see it in your eyesThey say that I've been running round
do you believe in lies ?
Ooh
ooh
loving you
that's all I wanna doDo I have to prove myself to you ? - Yeah.I wouldn't hurt you
baby
don't believe a word they sayAfter all that we've been through how could I
anyway ?
So you think that I could really be so cruelThere ain't no mountain high I wouldn't climb for you 'cause -There ain't nobody loves you like I doDon't let their jealous talk get through to you.
'Cause if they start a rumour that my heart ain't trueDon't let it come between us 'cause there ain't nobody loves you like I do.You got so many questions
I can see it in your faceThey say that my affections are somehow out of place.
Ooh
ooh
loving you
that's all I wanna doThere's no river deep I wouldn't swim for you 'cause -
There ain't nobody loves you like I do
. . .AII this time you were playing on my mindDidn't think you were the kind to throw it all away.
What was I to do
I should've seen right through
AII the bad
bad lies tearing me apart inside!Ooh
ooh
loving you is all I wanna doOoh
there ain't a thing I wouldn't do for you 'cause -
There ain't nobody loves you like I do
. .
There ain't nobody loves you like I do
. .
There ain't nobody loves you like I do
. .
