

# In Flames

## In Flames

Behold the heart of mine in flames  
A top the highest mountain  
Below the darkest depths  
In the valley of hate I wander  
My frost bitten heart is set ablaze, set ablaze Ravage my soul  
Plunder my mind  
Branded by thunder, fire and ice Trampled in fury by hordes of the light  
I am crushed by the hand of my sky  
My sky has forsaken me Rivers of crimson lead me now  
Trail of fire  
In a place of fire eternal  
Left in flames Scattered in a world of thorns  
Torn from my earthly self  
Aggrieved in tears and bitterness  
I fall beyond stars, beyond stars Ravage my soul  
Plunder my mind  
Branded by thunder, fire and ice Trampled in fury by hordes of the light  
My fiery heart is stronger than ever  
It's stronger than ever before My heart in flames
