

# Strange News From Another Star

## Blur

All I want to be, is washed out by the sea  
No death star over me, won't give me any peace  
All I want is light relief, put the crazies on the street  
Give them guns and feed them meat They'll shoot the death star down  
Dig a hole and put it down  
A thousand miles underground They say, it's no game  
There's strange news from another star  
I'm lost, I'm lost  
There's strange news from another star Give me all your stuff, until I can't get up  
Watch the whole world freeze  
Counting tin cans in our sleep  
Submarines are diving deep And don't believe in me and don't believe in me  
All I've ever done is tame  
Will you love me all the same  
Will you love me though, it's always the same They say it's no game  
There's strange news from another star  
I'm lost, I'm lost  
There's strange news from another star From another star  
From another star  
From another star
