Wish That I Was There

Hanson

The sun has fallen
Another day gone without you
My heart keeps calling
I seem to forget my lonely days
It's more than a feeling
It's something that can't be explained[Chorus]
I wish that I was there1, I wish that I was there
When you're not here, I wish that I was there
I wish that I was there, I wish that I was there
When you're not here, I wish that I was thereYou were falling
Now I'm coming 'round again
I was calling
'Cause without you it's the end
I just want to see you a little more
I just want to be with you some more[Chorus]And you make me feel
Won't you take me when you're not here?
It's been raining here
And I just want you to be near
I just want to see you a little more
I just want to dream of you some more
I just want to see you a little more
I just want to be with you some more[Chorus: x2]
