

# Fallen (Gabriel & Dresden Anti-Gravity Mix)

[Sarah McLachlan](#)

Heaven bend to take my hand and lead me through the fire  
Be the long awaited answer to a long and painful fight  
Truth be told I tried my best  
But somewhere along the way, I got caught up in all there was to offer  
But the cost was so much more than I could bear Though I've tried, I've fallen  
I have sunk so low  
I messed up  
Better I should know  
So don't come 'round here and  
Tell me I told you so We all begin with good intent  
When love was raw and young  
We believe that we can change ourselves  
The past can be undone  
But we carry on our back the burdens time always reveals  
In the lonely light of morning  
In the wound that would not heal  
It's the bitter taste of losing everything  
I've held so dear I've fallen  
I have sunk so low  
I messed up  
Better I should know  
So don't come 'round here and  
Tell me I told you so Oh, Heaven bend to take my hand  
I've nowhere left to turn  
I'm lost to those I thought were friends  
To everyone I know  
Oh they turn their heads, embarrassed  
Pretend that they don't see  
That it's one miss step, one slip, before you know it  
And there doesn't seem a way to be redeemed Though I've tried, I've fallen  
I have sunk so low  
I messed up  
Better I should know  
So don't come 'round here and  
Tell me I told you so Oh,  
I've messed up  
Better I should know  
Don't come 'round here and

Tell me I told you so
