

Little Terror

Matthew Good

Little terror, pack your stars
Here's a big wind for your sails
From the motherland Little terror sings the company song
Here's a big hand to move you along
From the motherland Mother, your son
Well he's a bad boy
Mostly a bad boy Mother, your son is done
Well he's a bad boy
Mostly a bad boy
But he's the one Mother, your son
He's a bad boy
Mostly a bad boy Mother, your son is done
Well he's a bad boy
Mostly a bad boy
But he's the one
