

Behind Those Eyes (iTunes Originals Version)

3 Doors Down

You said, "I got something to say"
And then you got that look in your eye
"There is something you got to know"
And you said it as you started to cry I've been down the wrong road at night
And I swear I'll never go there again
I've seen this face once before
And I don't think I can do this again There's something I can see
There's something different in the way you smile
Behind those eyes you lie
And there's nothing I can say, cause I'm never gonna change your mind
Behind those eyes you lie As you turn to walk away
I saw another look in your eye
Even though it hurt like it did
I couldn't let this be our goodbye You say that you're sorry
And you say now that it hurts you the same
Is there something here to believe
Or is just another part of the game? There's something I can see
There's something different in the way you smile
Behind those eyes you lie
And there's nothing I can say, cause I'm never gonna change your mind
Behind those eyes you hide Behind those eyes you hide
