

# Little Me (Bentley Grey Nu Disco Remix)

## Little Mix

She lives in the shadow of a lonely girl  
Voice so quiet you don't hear a word  
Always talking but she can't be heard You can see it there if you catch her eye  
I know she's brave but it's trapped inside  
Scared to talk but she don't know why Wish I knew back then  
What I know now  
Wish I could somehow  
Go back in time and maybe listen to my own advice I'd tell her to speak up, tell her to shout out  
Talk a bit louder, be a bit prouder  
Tell her she's beautiful, wonderful  
Everything she doesn't see You gotta speak up, you gotta shout out  
And know that right here, right now  
You can be beautiful, wonderful  
Anything you wanna be Little me Yeah you got a lot of time to act your age  
You cannot write a book from a single page  
Hands on the clock only turn one way (Yeah) Run too fast and risk it all  
Can't be afraid to take a fall  
Felt so big but you looked so small Wish I knew back then  
What I know now  
Wish I could somehow  
Go back in time and maybe listen to my own advice I'd tell her to speak up, tell her to shout out  
Talk a bit louder, be a bit prouder  
Tell her she's beautiful, wonderful  
Everything she doesn't see You gotta speak up, you gotta shout out  
And know that right here, right now  
You can be beautiful, wonderful  
Anything you wanna be, oh  
Little me Little me Tell you one thing I would say to her I'd tell her to speak up, tell her to shout out  
Talk a bit louder, be a bit prouder  
Tell her she's beautiful, wonderful  
Everything she doesn't see You gotta speak up, you gotta shout out  
And know that right here, right now  
You can be beautiful, wonderful  
Anything you wanna be (little me) I'd tell her to speak up, tell her to shout out  
Talk a bit louder, be a bit prouder  
Tell her she's beautiful, wonderful  
Everything she doesn't see You gotta speak up, you gotta shout out  
And know that right here, right now  
You can be beautiful, wonderful

Anything you wanna be I'd tell her to speak up, tell her to shout out  
Talk a bit louder, be a bit prouder  
Tell her she's beautiful, wonderful  
Everything she doesn't see You gotta speak up, you gotta shout out  
And know that right here, right now  
You can be beautiful, wonderful  
Anything you wanna be Little me
