

Who Knew

Bryan Lanning

All my life, I wanted a family to call my own.
And here you come, singin' my favorite song.
Oh, you take my hand, and said, "let me take you to better days."

All my life, I wanted a love that felt so strong,
Like your mom and dad, with never a battle to be won.
Then you took my hand, and showered me with grace.

Wherever you are, that's where I wanna be.

All it took was a ring in that soft sunset,
Big blue eyes welled up and said, "This is home."
In the 'fridgerator light never looked so good,
Holding you tight kissing all I could sayin', "I am home."

And that's where I wanna be.
Yea, wherever you're with me.

Little hands, that took far too long to hold,
I bring you close, never wanting to let go.
The nurse wrapped you up, and said, "He'll do amazing things."

Little curls, that we never want to tame, You look just like dad, but your mom's eyes the same.
We'll both hold you up, and show you a bright new world.

Wherever you are, that's where I wanna be.

All it took was a laugh in that soft sunset,
Familiar blue eyes looked up and said, "This is home."
Just running around you've never looked so cute,
Hugging you tight, cuddlin' all I could saying, "I am home."

And that's where I wanna be.
Yea wherever you're with me.

Hey!
Nah nah, nah nah nah nah
Nah hah, nah nah nah nah nah
This is home.

Hey!
Nah nah, nah nah nah nah
Nah hah, nah nah nah nah nah
I am home.

Wherever you are, that's where I wanna be.
Wherever you are, that's where I wanna be.

I'm home.
