Walking By Myself

Gary Moore

You know I love you You know it's true Give you all my love, babe What more can I do? Walking by myself I hope you'll understand I just want to be your lovin' manI love ya, yes I love you With my heart and soul I wouldn't mistreat you For my weight in goldYou know I love you You know it's true I'll give you all my love, babe What more can I do? Walking by myself I hope you'll understand I just want to be your lovin' man Here we goYou know I love you You know it's true I give you all my, babe What more can I do?I'm walking by myself I hope you'll understand I just want to be your lovin' manYou know I love you You know it's true I'll give you all my What more can I do?I'm walking by myself I hope you'll understand I just want to be your lovin' manI said, I'm walking by myself I hope you'll understand I just want to be your lovin' I just want to be your lovin' I just want to be your lovin' man
