She Comes In the Fall

Inspiral Carpets

Wake up, wake up, this must be some kind of fear
In the short time that I have got to know you
I have found here a wrong way to go about it
It's just this fear, the fear I have to go about youYou should learn to walk, should learn to walk before you crawl
You should learn to walk, should learn to walk before you crawl
You should learn to walk, should learn to walk before you crawl
You should learn to walk, should learn to walk before you crawlHere she comes, she comes in the fall
And you should learn to walk before you crawl
Here she comes now arms dance together in the fall
You don't walk, you crawlBack she returns there, he's always sat in the same chair
All you feel is the harder edge and the heat
I have found here a wrong way to go about it
It's just this fear, the fear I have to go about youYou should learn to walk, should learn to walk before you crawl)
She comes in fall
She comes in fall
She comes in fallYou should learn to walk, should learn to walk before you crawl
Here she comes, she comes in the fall
And you should learn to walk before you crawl
Here she comes now, all comes together in the fall
You don't walk, you crawlYou should learn to walk, should learn to walk before you crawl
She comes in fall
She comes in fall
She comes in fallYou should learn to walk, should learn to walk before you crawl
Here she comes, she comes in the fall
And you should learn to walk before you crawl
Here she comes now, arms dance together in the fallYou don't walk, you crawl, you don't walk, you crawl
You don't walk, you crawl, you don't walk, you crawlHere she comes, she comes in the fall
And you should learn to walk before you crawl
Here she comes now, arms dance together in the fall
You don't walk, you crawlYou don't walk, you crawl, you don't walk, you crawl
You don't walk, you crawl, you don't walk, you crawl
Here she comes
