

# Say Just Words

## Paradise Lost

You get high  
With your destructive instinct  
You get high  
With your corrosive instinct Where can I go  
To escape your foul mind trick  
You're trying it more  
But you will never break me 'Cause you presume the winner is you  
But that's not true  
So say just words to me Unreal what your hate's providing  
Say just words to me  
Your talk is always contradiction  
Say just words to me You won't feel the warmth of friends around you  
Say just words to me  
Is it true that there is worth inside  
So say just words to me Your desires  
Are all the worse from power craving  
Your desires  
Are only where there's fire burning I'll show you the way  
A pleasure that's for the talking  
You're trying it more  
But you won't get satisfaction 'Cause you presume the winner is you  
But that's not true  
So say just words to me Unreal what your hate's providing  
Say just words to me  
Your talk is always contradiction  
Say just words to me You won't feel the warmth of friends around you  
Say just words to me  
Is it true that there is worth inside  
So say just words to me Unreal what your hate's providing  
Say just words to me  
Your talk is always contradiction  
Say just words to me You won't feel the warmth of friends around you  
Say just words to me  
Is it true that there is worth inside  
So say just words to me
