

# Rocket (Rehearsal Demo)

## Smashing Pumpkins

Love  
Bleed in your own light  
Dream of your own life  
I miss me  
I miss everything I'll never be  
And on, and on I torch my soul to show the world that I am pure  
Deep inside my heart  
No more lies A crown of horns  
An image formed deformed  
The mark I've borne  
A mark of scorn to you Consume my love, devour my hate  
Only powers my escape  
The moon is out the stars invite  
I think I'll leave tonight Soon I'll find myself alone  
To relax and fade away  
Do you know what's coming down  
Do you know I couldn't stay free? I shall be free  
I shall be free  
I shall be free  
I shall be free  
Free, free  
Free of those voices inside me  
I shall be free  
I shall be free
