Gust of Wind

ãƒ•ã‚¡ãƒ«ãƒ»ã‚¦ã‚£ãƒªã‚¢ãƒ ã‚ ãƒ¼

My heart is filled, with love and care
Not an ounce of gas, I would get up there
The answer's simple
You lift me up
The view up here, I see all the stars
There go Venus, and there go Mars
Somethin' you been through
You're from aboveHey, when I first saw you, I got excited
Tried to keep my composure, tryna hide it
But I didn't know
I didn't let go
Then it occurred to me while tryna fight it
Just like a kite, you learn to ride it
But I didn't know
You're s'posed to let it goLike a gust of wind
You hit me off sometimes
Like a gust of wind
You push me back every once in a while
Like a gust of wind
You remind me there's someone up there
Who whooshes in
The air I need to power myselfWhen I open the window
I wanna hug you
'Cause you remind me of the air
I said yeah
'Cause when I'm feelin' real low
I remember I love you
I put my hands in the air
And you were thereWith your love, I can board the skies
Finding a way that electrifies, mother's your other
Cannot stow away
Telephone winds of the northern sky
Is the closest thing, and here is why
'Cause we're color
You blow me awayI need you, like I'm breathing
Music umbrellas can make one cover
Who cares if they don't see you?
Don't you know that they're the same?
I need it like I'm breathing

If you never discover, forever you'll suffer
Who cares if they don't see you?
You got until then to learn the wayLike a gust of wind
You hit me off sometimes
Like a gust of wind
You push me back every once in a while
Like a gust of wind
You remind me there's someone up there
Who whooshes in
The air I need to power myselfWhen I open the window
I wanna hug you
'Cause you remind me of the air
I said yeah
'Cause when I'm feelin' real low
I remember I love you
I put my hands in the air
And you were thereWhen I first saw you, I got excited
Tried to keep my composure, tryna hide it
But I didn't know
I didn't let go
Then I realized I'm tryna fight it
Just so they can learn to ride it
But I didn't know
I had to let it go
