Hang My Head

The Flatliners

Yeah, I'll hang my head
For this legacy of embarrassment
Yeah I usually sing along
But tonight I'll bite my tongue clean offCause all my friends are nervous wrecks
Don't have the time to take a breath
Yeah all my friends are nervous wrecks
Preoccupied with looming death certificates
Of whatever is next
Yeah accused of
While still you know my phone's been off
Yeah, I'm losing sleep
Trying to word your final line eloquentlyCause all my friends are nervous wrecks
Don't have the time to take a breath
Yeah all my friends are nervous wrecks
Preoccupied with looming death certificates
And reading too much into thisCause all my friends are nervous wrecks
Yeah all my friends are nervous wrecks
Yeah I'll hang my head
For this legacy of embarrassment
Yeah I usually sing along
But tonight I'll bite my tongue
