

# Dat U Like

Sean Paul

This gal just a walk in her jeans and she looks so fresh like everyday, everyday  
She a walk like model, so me turn on the throttle so me step to the girl an say Girl if you want it  
Then just come jump on the saddle and ride and balance pon it  
You know I get it started  
Girl if you need it  
A one, five, six a me room number girl and is my key this  
You know I got the meanest Girl you been looking so fine  
My girl you a one of a kind  
Gyal weh me seh me ready fi sign you  
You don't stop run through my mind  
I got the link to your phone  
And me inna di energy zone  
Gyal a one night weh me inna di city  
Don't make me spend it alone  
No, oh [Chorus]  
I know you like it  
Full time we vibe it  
Back it up gal and ride it  
Cause me know seh a same seh you like it gal  
I know you like it  
Full time we vibe it  
Back it up gal and ride it  
cause me know seh a same seh you like it gal What a vision, premonition  
I'm gonna set you girl ina di right position  
That a my mission, my wish and  
I wanna be your lifetime full time physician  
Fi you hug, kiss and  
Float off in a vision  
Make you start moan and groan and hiss and  
Bruk down the bed partition girl  
I'll be the sex technician Girl you been looking so fine  
My girl you a one of a kind  
Gyal weh me seh me ready fi sign you  
You don't stop run through my mind  
I got the link to your phone  
And me inna di energy zone  
Gyal a one night weh me inna di city  
Don't make me spend it alone  
No, oh [Chorus] Wait pon your body like a business call

Gal when you ready fi me don't bother stall  
Send it come, send it come don't bother with the time wasting  
That will make me bawl  
Cause I wanna give you this lovin' is all  
And I just wanna make you crawl up the wall  
Anytime ina the day or night just wan' make you feel alright  
Girl you been looking so fine  
My girl you a one of a kind  
Gal weh me seh me ready fi sign you  
You don't stop run through my mind  
I got the link to your phone  
And me inna di energy zone  
Gal a one night weh me inna di city  
Don't make me spend it alone  
No oh[Chorus]Oh yeah, oh yeah  
I know you blow up my blackberry  
Because a Sean da Paul we deh ya  
We a top celebrity, you see me  
So we nah stop put it pon her we a give it to her well hard  
Yo, S to the P we deh ya make she bawl out to the lord  
Woo oh![Chorus]
