Broken By You

Jordan Knight

First lonely night, what will I do?
I feel my heart breakin' in two
I'm such a fool, when will I learn?
I fell so deep, and I got burned.CHORUS: If you give me just one reason
why my heart just might let go
Maybe one day I will fall in love again
But for now I'll just leave my heart in two.
If I never fall in love again
If I never touch your skin again
If I never see another day
Remember me, remember this
'Cause one thing that will never change
Is the feeling in my heart...
So broken by you.Love still remains after you're gone
Girl please explain, where did I go wrong?
(CHORUS except last line)La,la,la,la,la,la,la,la 2x(CHORUS)
Never
Never fall in love again
Never pass this way again
Never, never
Never fall in love again
Never pass this way again
Never, neverNever had my heart broken by you
I'll just leave my heart in two.
