

You've Changed

Jackson 5

Hoo, hoo, hoo, hoo, hoo
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
I remember when you was a little girl
I say you never ever ever wore curls
You wore nothing but an old shaggy, shaggy dress
I say you never ever try to look your best
Now when I look at you
All my love come a'running through
You've changed and it's showing
My love for you is growing
You've changed and it's showing
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
You legs were little
But now they are big
Instead of wearing a pony tail
You wear a little red wig
Your eyes are pretty
You got some kissable lips
And I love the way you walk
The way you sway your little hips
Now when I look at you
All my love come a'running through
You've changed and it's showing
My love for you is growing
You've changed and it's showing, hoo hoo
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Your walk
Ooh baby, I love the way you walk, yeah
Your talk
Ooh, the way you speak to me
Your look
Ooh, my heart is shook
Your eyes
Ooh, baby hypnotize
Now when I look at you
All my love come a'running through
You've changed and it's showing
My love for you is growing
You've changed and it's showing

Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah

Your walk

Ooh baby, I love the way you walk

Your talk

You talk, you talk, oh now

Your look

Ooh, my heart is shook

Your eyes

Ooh, now you hypnotize

Your walk

Ooh, you're talking

Your talk
