

All in Good Time

Cowbell

Won't be in no letter no text or call
You can read through the papers won't say nothing at all
'Cause my love is secret
And it's getting harder to keep it
But I'll wait my time
Before i put my heart on the line
So no TV broadcast no overhead sign
That's not the way you'll find out 'bout this love of mine
You won't know how you know it but you're gonna know it
All in good time

[Chorus:]So many ways to communicate
Tell me why, why do i hesitate
The words they get stuck in my mouth
It's up to you to read between the lines
Move closer baby just read the signs

But please make it soon
So maybe this Winter or when Spring has arrived
There'll come a day when this love i can no longer hide
But you're gonna know it i'll make sure that you know it
All in good time

[Chorus]My darling make it soon
Please don't you look fo no message on your internet line
All you need to know is right here in this heart of mine
You won't know how you know it but you're gonna know it
All in good time
All in good time
You won't know how you know it but your gonna know it
All in good time
