## **And the Sentence Trails Off**

## **The Devil Wears Prada**

Hold diamonds to the sun

Sparkling misconception"We're the ones that aren't afraid to die", ashes

After this battle we laugh at the thought of innocence

"Remorse!", I scream for

Pride roses platinum gold rubies

A transparent portraitThe grave widens and the masses are mindlessly

Marching to the necropolis

There is no mystery here

Nothing to grasp but adjacent bodiesThe cessation movement is synchronized

Emotional poorness cannot be hidden by ivory

We can't let this come between us, here I lie myself down

I surrender at what I've done, I'm ashamed
