

# Unfinished Business

## Au Pairs

I'm your unfinished business  
I turn up at times conveniently around  
I don't make demands - it's on your terms  
but they're sound  
Playing your game / verging on the humane / I get a little romance  
When I get the chance to  
I'm the spasmodic amusement  
No expense - I'm no obligation  
I'm your erotic profit  
A bonus from the rock & roll situation  
'Cos I'm playing your game / Verging on the humane  
I get a little romance / when I get a chance to  
Yes you ought to  
then you ought to  
yes you ought to  
think about me!  
I'm your unfinished business  
Lazy rendezvous for two  
I'll put in an appearance for you  
when the time is right for you  
'cos I'm playing your game / verging on the humane  
I get a little romance / when I get the chance to
