Superman

Im5

I did everything that you asked of me and more
Went to the moon and back all you went was out the door
Know that I lived up to my side of the deal
But I have a heart of gold
But not a heart of steal

And I waited on you with a patience of a saint
So don't think I'm walking on air when I'm walking away

You should know
That I'm hurting too I ain't bulletproof, no
Torn up saying hi to your goodbyes
Sticks and stones may break my bones but your words break my heart, I'm not as strong as you think I am
I'm no superman

You say I have girls lining down the street
Don't be sad we split there a lot of fish in the sea
Think I'm moving on so soon I'm doing fine
But I can't forget your face just yet like you forgot mine

Love is blind but your long gone so can't you see
I'm not invincible like you made me out to be

You should know
That I'm hurting too I ain't bulletproof, no
Torn up saying hi to your goodbyes
Sticks and stones may break my bones but your words break my heart, I'm not as strong as you think I am
I'm no superman

They say letting go is tough
But holding on hurts just as much
Think I can't feel pain but I fell hard for you
Did you forget that I'm human too

You should know
That I'm hurting too I ain't bulletproof, no
Torn up saying hi to your goodbyes
Sticks and stones may break my bones but your words break my heart, I'm not as strong as you think I am
I'm no superman
