

Let's Go Get Stoned

Sublime

I swear sometimes your taking me for granted
And I swear sometimes that you're a whore
And I swear but I know there ain't no reason
'Cuz everything is such a bore
Last night I had a dream
Oh, it made me sick
Saw you in your bedroom
Suckin' someone else's dick
My friends all laughed
Said it was my fault
Said it's time
That it happened to me
But I know that the show
Was much more than a blow
So I'm waiting for the tide to get low
Waiting for the tide to get low
Lick 'em, suck, rock
Suck, like the hard way
If I was an ant crawlin' upon the wall
Tell me baby, would it make no difference at all?
If I was a roach on a tree tell me
Would you smoke me?
Bright lights put me in the trance
But it ain't house music
That makes me wanna dance
Word I don't gamble but I bet
I'm gonna die if I don't get a cigarette
Just because I always play the mac
I'm gonna put the monkey on my back, God knows
