

# Runaway (Live at Ars Cameralis)

## The National

There's no saving anything  
Now we're swallowing the shine of the sun  
There's no saving anything  
How we swallow the sun But I won't be no runaway  
Cause I won't run  
No, I won't be no runaway What makes you think I'm enjoying being led to the flood?  
We've got another thing coming undone  
And it's taking us over We don't bleed when we don't fight  
Go ahead, go ahead, throw your arms in the air tonight  
We don't bleed when we don't fight  
Go ahead, go ahead, lose our shirts in the fire tonight What makes you think I'm enjoying being led to the flood?  
We got another thing coming undone But I won't be no runaway  
Cause I won't run  
No, I won't be no runaway  
Cause I won't run  
No, I won't be no runaway What makes you think I'm enjoying being led to the flood?  
We've got another thing coming undone  
And it's taking us over We don't bleed when we don't fight  
Go ahead, go ahead, throw your arms in the air tonight  
We don't bleed when we don't fight  
Go ahead, go ahead, lose our shirts in the fire tonight But what makes you think I'm enjoying being led to the  
flood?  
We got another thing coming undone  
We got another thing coming undone  
And it's taking forever I'll go braving everything  
With you swallowing the shine of the sun  
I'll go braving everything  
Through the shine of the sun But I won't be no runaway  
Cause I won't run  
No, I won't be no runaway  
Cause I won't run  
No, I won't be no runaway What makes you think I'm enjoying being led to the flood?  
We've got another thing coming undone  
And it's taking us over We don't bleed when we don't fight  
Go ahead, go ahead, throw your arms in the air tonight  
We don't bleed when we don't fight  
Go ahead, go ahead, lose our shirts in the fire tonight But what makes you think I'm enjoying being led to the  
flood?  
We got another thing coming undone

We got another thing coming undone

And it's taking us over

And it's taking forever
