Let Me Go Lover

Dean Martin

Oh, let me go, let me go
Let me go lover
Let me be, set me free
From your spellYou made me weak, cut me deep
I can't sleep lover
I was cursed
From the first day I fellYou don't want me
But you want me to go on wanting you
How I pray that
You will say that we are throughPlease turn me loose
What's the use
Let me go lover
Let me go, let me go, let me goYou don't want me
But you want me to go on wanting you
How I pray that
You will say that we are throughPlease turn me loose
What's the use
Let me go lover
Let me go, let me go, let me go
