

Smoke Signals

File 13

Well, you've got a really long name
It won't fit on any forms
You gave me all your mirrors and they made me deformed
You're sending smoke signals
I know your secret code
We travel in the plaid van and we give our puppet show
And we picnic in the winter on maple syrup and snow
You're sending smoke signals
I know your secret code
Well, you made a Molotov cocktail, and you threw it on the ground
And it sent us flying and now we're flying about
You're sending smoke signals
I know your secret code
