

Royally Fucked

Mindless Self Indulgence

check it - check it- check it - check it - you son of a bitch
mom, dad, why don't you finger me too?
i can't say the same for me - you son of a bitch
i could be so fuckin' cool
i will never be young
i will never be loved
i will never be wrong
so i am royally fucked - i am royally fucked
love it - love it - love it - love it - you son of a bitch
all of them dead now, let me be the same
oh oh - one two, one two - fall on my knees
i will never be young
i will never be loved
i will never be wrong
so i am royally fucked - i am royally fucked
ok - ok - ok - don't let them see me now
don't let them see me like this
i will never be young
i will never be loved
i will never be wrong
so i am royally fucked - i am royally... i am royally... i am royally... fucked
