My Girl

B2K

Hey, you trick
How you gon' come up with another one man
Yeah
This what they lookin for
B 2 K
Red ZoneShe want it all
And I ain't mad at that
She likes to floss
And watch my money stack
In and out the mall
Running to every store
She likes to ball
Can't help it she wants moreAlways somethin'
She'd be wantin'
Say she love me
I know she frontin'
My girl
She's got a hold on me
Like you ain't never seen
My girl
I give her what she wants
She gives me what I need
My girl
She always be in my pocket deep
But I don't care
She's my girl
B'cause I can't let her go
I can't let her go
Cant let her goHer body's callin' me
Don't care who knows
'Cause she's a part of me
I'm so caught up
I know she's wrong for me
She's what I want
And that's enough for meAlways somethin'
She'd be wantin'
Say she love me
I know she frontin'
My girl

She's got a hold on me
Like you ain't never seen
My girl
I give her what she wants
She gives me what I need
My girl
She always be in my pocket deep
But I don't care
She's my girl
B'cause I can't let her go
I can't let her go
I can't let her go
I can't let her goHoldin' it now
I'm sixteen hold it down
When Hova's done, tell him to pass the crown
Yo, back again with this red zone sound
Pandamonium in every single town, what?
Sold out shows uptopable flows
Man the best of my day
Watch me do it my way
The youngest boy that'll never be forgotten
When they come to blowin' up man it already happened
Got your hands up keepin' your body rockin'
The way things is going ain't no tellin' when I'm stoppin'
A face loved but every single kid
It's your neighborhood bad boy me
Lill' Fizz!My girl
She's got a hold on me
Like you ain't never seen
My girl
I give her what she wants
She gives me what I need
My girl
She always be in my pocket deep
But I don't care
She's my girl
B'cause I can't let her go
I can't let her go
I can't let her go
I can't let her goB 2 K
Red Zone 2 G 3
Omarion, J-Boog, Raz- B, LiL'Fizz Pandemonium
Yeah goin' down
Thoughta we were serious on the last one
But we're this but we're hopeless
