Everybody Up

Saxon

On your feet, I wanna see the whole place jumpin'
C'mon baby, can you feel the heat
Move up close, the boys are out to get ya
We don't care just what you got in mindSaid everybody up, everybody up
Everybody up, everybody upStand in line, we're about to rock you
We all know what you came here for
Stamp your feet, this place is really rockin'
Rip it off, I wanna see some moveSaid everybody up, everybody up
Everybody up, everybody upUp all night, we've been getting crazy
Going down, 'till you're satisfied
Raise your hands, shout and let me know
I wanna see you wasted from the showSaid everybody up, everybody up
Everybody up, everybody up
