I Can Go Deep

Silk

So tell me baby
Whatchu wanna do?
We got all nightSo baby it's on, it's on, it's on, yeah
Deeper, deeper baby
Deeper than he's ever gone
'Cause I can go on and on and onYou've got to show me lady
Just how you feel
I want to relax in your mind
And go so deepBecause I can go deeper baby
Deeper than he's ever gone
'Cause I need it, and you want it
'Cause you've got what I want and I want what's insideCan we do it on the low
Keep the lights down
I can do a sex move and get funky
Workin' it like it ain't no thing
Makin' it sweet in the sheets
From your head down to your feetDeeper, deeper baby
Deeper than he's ever gone
So baby it's on, it's on, it's on
I can go deeper, deeper baby
Deeper than he's ever gone
'Cause I can go on, and on, and onChampagne and candlelights would be nice
Just me and you
Let's start things off right tonight
Girl, what should we do babeLet's sit and fantasize about me and you
We're takin' it up and down
And round and round
Givin' you everything that you needCan we do it on the low
Keep the lights down
I can do a sex move and get funky
Workin' it like it ain't no thing
Makin' it sweet in the sheets
From your head down to your feetDeeper, deeper baby
Deeper than he's ever gone
So baby it's on, it's on, it's on
I can go deeper, deeper baby
Deeper than he's ever gone
'Cause I can go on, and on, and onDeeper baby, deeper baby
Deeper than he's ever gone

Deeper baby, deeper baby
Deeper than he's ever goneI can go deep if you let me
I can go deep if you want me
I can go deep when you want me to
I can go deepI can go deep if you let me
I can go deep if you want me
I can go deep when you want me to
I can go deepDeeper, deeper baby
Deeper than he's ever gone
So baby it's on, it's on, it's on
I can go deeper, deeper baby
