

Ways to Be Wicked

Lone Justice

Honey why you always smile
When you see me hurt so bad?
Tell me what I did to you babe
That could make you act like that
Well, I've been your fool before honey
Yeah and I probably will again
You ain't afraid to let me have it
No, you ain't afraid to stick it in

Well you know so many
Ways to be wicked
Oooh but you don't know one little thing
About love

Well I can take a little pain
Yeah I can hold it pretty well
I can watch your little eyes light up
While you're walking me through hell
Well I've been your fool before honey
Yeah and I probably will again
You ain't afraid to let me have it
No you ain't afraid to stick it in

Well you know so many
Ways to be wicked
But you don't know one little thing
About love

Those cobra eyes
Lie with a smile
Baby you take pride
In the devil down deep inside

Well I can take a little pain
Yeah I can hold it pretty well
I can watch your little eyes light up
While you're walking me through hell
Well I've been your fool before babe
Yeah and I probably will again
You ain't afraid to let me have it

No, you ain't afraid to stick it in

Well you know so many
Ways to be wicked
Oooh but you don't know one little thing
About love

Well you know so many
Ways to be wicked
Yeah but you don't know one little, one little thing
About love

Yeah, you know so many
Ways to be wicked
But you don't know one little, one little thing
About love
