

I Can't Do Without You

Jim Lauderdale

Wait, won't you think about it
Stay, let's try to work it out
'Cause I can't do without you
Hey, there's promises that people make
Baby here's another one for you
I can't do without you I can't imagine me going on without your loving
It'd be a tragedy to let you go and us be nothing
More than a memory for me to spin forever
Trying to forget So why don't you just go on down
And try to give us one more chance
'Cause I can't do without you I can't imagine me going on without your loving
It'd be a tragedy to let you go and us be nothing
More than a memory for me to spin forever
Trying to forget
So why won't you think about it?
Try and give us one more chance
'Cause I can't do without you
I don't wanna do without you
I don't wanna do without you
I can't do without you
I can't do without your love
Well won't you think about it?
Stay
