Early To Bed

Morphine

Early to bed and early to rise
Makes a man or woman
Miss out on the nightlife
Early to bed and early to rise
Makes a man or woman
Miss out on the nightlifeOne drink, call it an early night
Soon you're curled up beneath the reading light
Or you bathe in the TV's blue tint
On your pillow an after-dinner mintEarly to bed and early to rise
Makes a man or woman
Miss out on the nightlife
Early to bed and early to rise
Makes a man or woman
Miss out on the nightlifeEarly to bed so you can wait
For three buses, a trolley and a train
I think it's worth it for you to stay awake
Maybe tomorrow you'll be a little lateBut early to bed and early to rise
Makes a man or woman
Miss out on the nightlife
Early to bed and early to rise
Makes a man or woman
Miss out on the nightlifeYou'll miss out on the night life
You'll miss out on the night life
