It's a Man's World

Patricia Kaas

[Chorus]
This is a man's world
But it wouldn't be nothing, nothing
Without a woman or a girlMan made the cars
To take us over the road
Man made the trains
To carry the heavy loadMan made the electric light
To take us out of the dark
Man made the boat for the water
Like Noah made the ark[Chorus]Man thinks about the baby girls
And the baby boys
Man makes them happy
'Cause man made the toysAfter man made everything
Everything he can
You know that man makes money
To buy from other men[Chorus]He's lost in the wilderness
He's lost in bitteness[Chorus]Without a woman or a girl, no... no, no, no
Without a woman or a girl
This is a man's world, this is a man's world
This is a man's world, no....
