With Wings

Amy Stroup

I look to you
When I see nothing
I look to you
To see truth
And I look to you
When I feel nothing
And I look to you
To beAnd I walk in a field with wings
I walk in a field with wings
I walk in a field with wings
I walk in a field with wings
I walk
To youSo tell me where to find you
And tell me where to go
Cause I've tasted all your affections
From my mind
My heart
My body
And my soulAnd I walk in a field with wings
I walk in a field with wings
I walk in a field with wings
I walk in a field with wings
I walk
To you
To you
To you
