

Move On Out

Simply Red

So you tell me
You're certain about it
Sure to tell me you're rid of me
Rid of me, rid of me, rid of meHow cool can you be
Shrugging your shoulders
Saying you're rid of me
Rid of me, rid of me, rid of meThat's the way it is now
So sickly sweet and, oh, so candy
No matter which way it is now
I'll live in the flat the council gave meYou'd better move on out now
Leave town and get on out now
You'd better move on out now
Leave town and get on out nowLiving with each other only for the sake of it
Living in a shack they said was handy
Your good looks blew you out
And now you want no part of itSuffice to tell me you're rid of me
Rid of me, rid of me, rid of me
That's the way it is now
I'll live in the flat that the housing gave meLook, uh, get outta here
Get outta here
Look, uh, get outta here
Get outta hereLook, uh, get outta here
Get outta here
Look, uh, get outta here
Get outta hereYou'd better move on out now
Leave town and get on out now
You'd better move on out now
Leave town and get on out nowMove on outPoisoned letters from snakes who died to make it
Hung out drying in the cemetery
My personality always is a problem
Always was and always will beThat's the way it is now
And you don't need to understand me
No matter which way it is now
I'll live in the flat that the housing gave meLook, uh, get outta here
Get outta here
Look, uh, get outta here
Get outta hereLook, uh, get outta here
Get outta here
Look, uh, get outta here

Get outta hereLook, uh, get outta here
Get outta here
Look, uh, get outta here
Get outta hereLook, uh, get outta here
Get outta here
Look, uh, get outta here
Get outta hereOh, I can stand at the way you looked at me
When I'm dead and when I'm gone and when I
I'm feeling alone, I'm goin' to live it all
No good, no good, no good, no good
No, no, no
