

# My Son Cool

## Guided By Voices

Decide nowDecide now before you continue  
The list is complete without your permission  
I finally know how, I finally can't quit  
And ancient ideas are on fire, my loveCompletely the rope has been severed  
The night screams for contact and clue  
I must keep a journal, I must boast a victory  
The hellfire is dying around you, my loveAround you, my love  
Around you, my love  
Around you, my love  
...
