

# Southern Accents

## Tom Petty & The Heartbreakers

There's a southern accent, where I come from  
The young'uns call it country, the yankees call it dumb  
I got my own way of talkin' but everything is done  
With a southern accent where I come from Now that drunk tank in Atlanta's just a motel room to me  
Think I might go work Orlando if them orange groves don't freeze  
I got my own way of workin' but everything is run  
With a southern accent where I come from For just a minute there I was dreaming  
For just a minute it was all so real  
For just a minute she was standing there with me There's a dream I keep having where my mama comes to me  
And kneels down over by the window and says a prayer for me  
I got my own way of prayin' but everyone's begun  
With a southern accent where I come from
