Can't Stand It

[Never Shout Never](#)

Baby, I love you, I never want to let you go
The more I think about the more I want to let you know
That everything you do is super fucking cute
And I can't stand itI've been searching
For a girl that's just like you
'Cause I know that your heart is trueBaby, I love you, I never want to let you go
The more I think about the more I want to let you know
That everything you do is super duper cute
And I can't stand itLet's sell all our shit
And run away to sail the ocean blue
Then you'll know that my heart is true, yeahBaby, I love you, I never want to let you go
The more I think about the more I want to let you know
That everything you do is super duper cute
And I can't stand itYou, you got me where you want me
'Cause I'll do anything to please you
Just to make it through another yearYou, I saw you across the room
And I knew that this was gonna blossom
Into something beautiful, you're beautifulBaby, I love you, I never want to let you go
The more I think about the more I want to let you know
That everything you do is super duper cute
And I can't stand itBaby, I love you, I never want to let you go
The more I think about the more I want to let you know
That everything you do is super duper cute
And I can't stand it, no, I can't stand it, no, I can't stand it
