

Lips Of An Angel (Acoustic Version)

[Hinder](#)

Honey, why are you calling me so late?
It's kinda hard to talk right now
Honey, why are you crying, is everything okay?
I gotta whisper 'cause I can't be too loud
Well, my girl's in the next room
Sometimes I wish she was you
I guess we never really moved on
It's really good to hear your voice saying my name
It sounds so sweet
Coming from the lips of an angel
Hearing those words - it makes me weak
And I never wanna say goodbye
But, girl, you make it hard to be faithful
With the lips of an angel
It's funny that you're calling me tonight
And, yes, I've dreamt of you too
And does he know you're talking to me?
Will it start a fight?
No, I don't think she has a clue
Well, my girl's in the next room
Sometimes I wish she was you
I guess we never really moved on
It's really good to hear your voice saying my name
It sounds so sweet
Coming from the lips of an angel
Hearing those words - it makes me weak
And I never wanna say goodbye
But, girl, you make it hard to be faithful
With the lips of an angel
It's really good to hear your voice saying my name
It sounds so sweet
Coming from the lips of an angel
Hearing those words - it makes me weak
And I never wanna say goodbye
But, girl, you make it hard to be faithful
With the lips of an angel
(And I never wanna say goodbye)
But, girl, you make it so hard to be faithful
With the lips of an angel
Honey, why are you calling me so late?
