1 2 3 4 5 6 1 2 3 4 5 6 1 2 3

I sang "Danny Boy"

Out of the window

I don't know the words

I was making them up

Stepping outside

Feel the sun shining

I can't deny

I'm falling in love

|||||

I told them your name

Said where you come from

See you again

That kind of stuff

Told them your name

But I never told them

I never said

I'm falling in love

Chorus

Falling in love

Falling in love

Feels like my heart

Has been struck by lightning

You're in my head

It's you I'm dreaming of

Better come clean

Have to tell someone

I have to tell someone

I'm falling in love

Falling in love

I'm falling in love

Falling in love

I'm falling in love

Falling in love

I'm falling in love

Falling in love
I'm falling in love
Falling in love
Falling in love
I'm falling in love
