Acres Of Hope

Shane & Shane

He will allure her, He will pursuer her and call her out
To the wilderness with flowers in His hand
She is responding beat up and hurting deserving death
But offerings of life are found insteadShe will sing, she will sing oh, to You
She will sing as in the days of youth
As You lead her away to valleys low
To acres of hope, acres of hopeHere in the valley walk close beside me don't look back
For love is growing vineyards up ahead You have called me master
And though You're in the dark here call me friend
And call me lover and marry me for goodShe will sing, she will sing, oh, to You
She will sing as in the days of youth
As You lead her away to valleys low
To acres of hope, acres of hopeHow the story ends is love and tenderness in Him
Not safe, but worth it, so worth it. So in the valley's up ahead
Or the ones, we live we'll sing together, we'll sing togetherWe will sing, we will sing oh, to You
We will sing as in the days of youth
As You lead us away to valleys low
To acres of hope, acres of hope
