

# Acres Of Hope

## Shane & Shane

He will allure her, He will pursue her and call her out  
To the wilderness with flowers in His hand  
She is responding beat up and hurting deserving death  
But offerings of life are found insteadShe will sing, she will sing oh, to You  
She will sing as in the days of youth  
As You lead her away to valleys low

To acres of hope, acres of hopeHere in the valley walk close beside me don't look back  
For love is growing vineyards up ahead You have called me master  
And though You're in the dark here call me friend

And call me lover and marry me for goodShe will sing, she will sing, oh, to You  
She will sing as in the days of youth  
As You lead her away to valleys low

To acres of hope, acres of hopeHow the story ends is love and tenderness in Him  
Not safe, but worth it, so worth it. So in the valley's up ahead

Or the ones, we live we'll sing together, we'll sing togetherWe will sing, we will sing oh, to You  
We will sing as in the days of youth  
As You lead us away to valleys low  
To acres of hope, acres of hope
