

Passion

Rod Stewart

Somebody somewhere
In the heat of the night
Looking pretty dangerous
Running out of patience Tonight in the city
You won't find any pity
Hearts are being twisted
Another lover cheated, cheated In the bars and the cafes, passion
In the streets and the alleys, passion
A lot of pretending, passion
Everybody searching, passion, come back Once in love you're never out of danger
One hot night spent with a stranger
All you wanted was somebody to hold on to, yeah
Passion, passion, passion, passion New York, Moscow, passion
Hong Kong, Tokyo, passion
Paris and Bangkok, passion
A lotta people ain't got, passion Hear it in the radio, passion
Read it in the papers, passion
Hear it in the churches, passion
See it in the school yards, passion Once in love you're never out of danger
One hot night spent with a stranger
All you wanted was somebody to hold on to, yeah Once in love you're never out of danger
One hot night spent with a stranger
All you wanted was somebody to hold on to
Somebody to hold on to Alone in your bed at night, passion
It's a half past midnight, passion
As you turn out your sidelight, passion
Something ain't right, passion There's no passion, there's no passion
There's no passion, I need passion
You need passion, we need passion
Can't live without passion, won't live without passion Can't live without passion, even the president needs
passion
Everybody I know needs some passion
Some people die and kill for passion
Nobody admits they need passion
Some people are scared, passion, yeah passion
