Passion

Rod Stewart

Somebody somewhere

In the heat of the night

Looking pretty dangerous

Running out of patienceTonight in the city

You won't find any pity

Hearts are being twisted

Another lover cheated, cheatedIn the bars and the cafes, passion

In the streets and the alleys, passion

A lot of pretending, passion

Everybody searching, passion, come backOnce in love you're never out of danger

One hot night spent with a stranger

All you wanted was somebody to hold on to, yeah

Passion, passion, passionNew York, Moscow, passion

Hong Kong, Tokyo, passion

Paris and Bangkok, passion

A lotta people ain't got, passionHear it in the radio, passion

Read it in the papers, passion

Hear it in the churches, passion

See it in the school yards, passionOnce in love you're never out of danger

One hot night spent with a stranger

All you wanted was somebody to hold on to, yeahOnce in love you're never out of danger

One hot night spent with a stranger

All you wanted was somebody to hold on to

Somebody to hold on to Alone in your bed at night, passion

It's a half past midnight, passion

As you turn out your sidelight, passion

Something ain't right, passionThere's no passion, there's no passion

There's no passion, I need passion

You need passion, we need passion

Can't live without passion, won't live without passionCan't live without passion, even the president needs

passion

Everybody I know needs some passion

Some people die and kill for passion

Nobody admits they need passion

Some people are scared, passion, yeah passion
