

Teri Yakimoto

Guttermouth

Teri Yakimoto..
from Tokyo...She came here for 90 days
by foreign exchange..
Teri Yakimoto she barely speak my language
she's a genius with a mohawk
if only we could talkOne day I asked her if she knew Bruce Lee
I think she thought he was in the OffspringTeri Yakimoto I asked her out for a beef bowl
She brought her ball and shoes and glove
what was she thinking of?
Teri Yakimoto she's a japanese punk rocker
with a tattoo of godzilla and a tribal zig-zag manWe went to go see (??) boy was she surprised
When they played rock n roll (??)
she got tears in her eyes...Teri Yakimoto in the back seat of my toyota
with the hatch up she hops on top
Teri never lets it stopone day I asked her for a slice of pie
I think she thought I asked for some stir fryThe other day Teri said Mark go get a big mac
then I had her walk on my...
